

## **GUIDELINES FOR CLUB SOCIAL EVENTS**

**These guidelines are intended solely as recommendations for clubs planning social events and are intended as 'good practice' guidelines.**

- 1. Clubs should always make sure that one member will remain sober for the duration of the social, and that this person is identified to all those on the social.**
- 2. Clubs should encourage their members to exercise safe drink practices.**
- 3. Clubs wishing to organise and run President's weekends, one off events, and charity events should liaise with the AU President.**
- 4. Clubs should only hold drinking socials in licensed venues, both on and off campus.**
- 5. Clubs should consider that some members may desire non-alcoholic socials.**
- 6. Clubs should respect the rights of members of the public.**
- 7. Clubs should respect the policy of all venues, and should leave quietly with consideration for local residents.**
