Petition

Dear Deputy Vice-Chancellor,

We, the undersigned, agree that there should be a return to portering at college receptions where all seven lodges are kept open and at least six are staffed 24 hours a day and the seventh is open for at least fifteen hours of the day.

We believe that local college receptions in each college are a necessity for all students andprovide a much needed service that couldn't be catered for in any other way.

Full Name	College	Year of Study	York Email Adress

Save our Porters

Please return via internal mail or by dropping it into 'The Student Centre, Goodricke College' by Thursday Week 10 (15th March 2007)
